 - Date of Birth: 6/8/2003
 - Place of residence: Cartago, Tejar del Guarco, Residencial Jardines de Agua Caliente
-

Santiago Barquero Torres

Web Developer

EXPERIENCE

Freelance Web Developer

Hotel Sunrise Corcovado | 12/3/2025 - 12/4/2025

I developed an informational website for a hotel using Angular, Tailwind CSS, and FontAwesome, applying responsive design, modular structure, and bilingual support (i18n). It includes sections for rooms, tours, gallery, and contact. I coordinated with the client to define content, structure, and key adjustments.

Freelance Web Developer

Elektra Automotriz | 1/5/2025 – Present

Development of an informational website with WordPress for an auto parts business, featuring product and contact sections, responsive design, and a focus on usability.

EDUCATION

Bachelor's degree in computer systems Engineering

Universidad Fidélitas | Present
